Dear Centre Members,

24 July, 2020

I hope all your volunteers and Riders are coping in this unrivalled Pandemic time.

There are Centres members insisting that a "Question time" be included in the RDA(NSW) AGM Agenda.

This is to inform all Centre Members that under 16.2 of the 2018 State Constitution, it states - "No business other than that stated on the notice required by Clause 16.2 shall be transacted at the General Meeting"

To quell any disharmony at the upcoming AGM being held tomorrow night at 6pm by Zoom, please find attached Agenda (2) that has included a "Question time" after the close of the AGM.

Although the Directors would have preferred the upcoming AGM to be a face to face meeting, this could not be achieved due to the COVID-19 Pandemic being upon us. You are aware, that the RDA(NSW) AGM has always been held on a Saturday evening so to keep this in mind and in line with Government legislation due to the Pandemic situation, Directors agreed for the RDA(NSW) AGM to be held on Saturday 25 July, 2020 by Zoom.,

My sincere apologies for this late intervention. For transparency, Directors have done all that is humanly possible, to the detriment of other important issues that are required to be dealt with on a day to day basis, by responding in a respectful manner to Centre Member concerns that have been received up to as late as yesterday, the 23 July 2020.

The Directors are looking forward to meeting the Centre Members, Volunteers and Riders at our upcoming AGM being held tomorrow evening.

Please stay safe and 'keep your distance' to help stop this Pandemic from proceeding further.

Yours in RDA,
Margaret Norman OAM
