Dear Centres,

On behalf of the Board of Directors we sincerely apologise for the delay in sending this notice out to all Centres.

The meeting scheduled to be held [on 31 October](#) or on a later date depending on when the legal advice/opinion had been received. As at today's date, that advice has not been received.

As it would be both very important and logical that Centres and the Board have time to review the legal advice in order to be able to comment on the views expressed and determine what effect that advice can have on RDA (NSW) and its Centres, it is important that Centres and the Board have some time to review and discuss that advice prior to the meeting.

The Board has therefore decided the meeting to be held [on 31 October](#), be deferred until such time that the requested legal advice is received giving time to allow the Centres and the Board to examine that advice and fully understand its potential implications in order to be able to address any questions, comments and suggestions to the solicitor.

The Board anticipates the Meeting will be called 10 days after the receipt and distribution of the legal advice.

Written for and on behalf of the Board of Directors RDA(NSW).

Kind regards,

Jan Pike

Hon Director/Executive Officer
Riding for the Disabled Association (NSW)
