CASP News

Messages from CASP....

We hope that the start of 2021 has been a great one for your Centre. It has been a busy start for CASP with the State Coaching Workshop, Trainee Workshop and a Connections Workshop over the last 9 weeks. Thank you to Central Coast, Young and Goulburn Centres for hosting the workshops and all of you that attended, its great to see everyone face to face again.

The presentations for the State Workshop are attached.

For those of you just starting up don't forget to have the Centre Support Self Assessment Completed within 6 weeks of commencing.

Our Student Management System, aXcelerate, has undergone an upgrade by the developers. We have put together a video that is accessible at the following link as well as on the opening page of aXcelerate to help guide you around the system. Access it here: <https://youtu.be/je-ocwBZles>

The Members area where the RAM is stored has also undergone an upgrade. Details have been forwarded on by separate email to each Centre. Please contact State Office for the details.

We are continuing to monitor the COVID situation, our COVIDSafe Plan is still in place for all Centres. The latest situations in Victoria are a reminder that we are still in a pandemic. Please ensure vigilance is kept in place for the foreseeable future. We know that many Centres would like to hold events including Regional Dressage or Mounted Games days, this is certainly possible however please advise CASP of the dates of your event and proposed event and scale of the event so that we are able to provide specific advice regarding the days where applicable.

The June intake for new Trainees will close on 25th June. Please ensure that registration forms using the current How to be a Coach document are used. This is also attached for easy access. The next intake for Trainees will be 8th October. Trainees registered between June and October will need to wait until October to commence training.

If you have specific questions or concerns please email casp@rdansw.org.au
