Eligibility

* indicates a required field

Introduction to the Centre of Excellence Fund (COE)

The NSW Government has committed \$150 million to support the development of integrated high-performance sporting facilities as part of the 2021-2022 State Budget. The Centre of Excellence Fund (the Fund) is a key sporting initiative of the Budget, aimed at improving talent pathways and community engagement for all sporting codes.

The Fund will feature multi-purpose facilities, enabling sports to bridge the gap between elite sport and the general community and expand their community programs and outcomes. The Fund will assist eligible organisations to develop integrated facilities that include high-performance training and administration areas to assist talent identification and development opportunities. The Fund focuses on infrastructure that delivers the best outcomes for the community and ensures that the best possible value for money is achieved.

For further information including Program Guidelines and supporting documentation on the 2021/22 round of the Centre of Excellence Fund please visit the [fund website](#). Please read the Program Guidelines and supporting documentation to ensure your organisation and proposed project meets the eligibility requirements.

Budget

* indicates a required field

Please complete the following section in order to demonstrate the income sources, and expenditure required to complete, your project.

Things to consider when requesting your funding:

Eligible costs: Centre of Excellence Fund grants are for the capital cost of the project only. Applicants are responsible for project administration costs, non-fixed or movable equipment and the ongoing operation of the facility.

Councils: GST is not payable on grants due to payments being between government related entities. Please exclude GST when applying for your funding in your project budget.

Organisations registered for GST: When applying for funding please exclude GST from the amount of funding requested in your project budget. GST will be paid to your organisation if successful, for each instalment.

Organisations not registered for GST: When requesting funding for your project, please include GST in the costs for your project budget. Please ensure that quotes you receive are inclusive of GST that will be charged by trades to deliver the works.

Contingency: All project budgets must include a contingency to cover uncertainty. This contingency should be a minimum of 5% of the total project cost (not the grant amount). For more complex projects, the contingency may be up to 20% of the total project cost.

Escalation: All Applicants should report capital costs on an unescalated basis to inform the cost benefit assessment. With escalation (i.e. with inflation) provided separately to inform funding and affordability assessment.

Project Cost

Q65. What is your total project cost? *

Must be a whole dollar amount and a minimum of \$5,000,000 (GST exclusive where applicable)

Q66. What is the amount of contingency included in this total project cost? *

Must be a whole dollar amount (no cents).

This should be 5% - 20% (depending on project complexity) of Total Project Cost.

Contingency as a % of total project cost

This number/amount is calculated.

Minimum 5% Maximum 20%

Risk Management Plan

Centre of Excellence Fund 2021/22 (Round 1) Application Form Preview

Projects will not be funded if they represent a significant risk to the community and or reputational risk to the NSW Government. If the project is a risk to the community, then you are expected to have a risk management plan which outlines what steps are needed to mitigate these risks.

Please ensure you consider any risks related to impacts from COVID-19 on the project. This may include (but is not limited to) risks related to construction timeframes and/or costs.

Please provide advice on any risks you may anticipate in the process of delivering this project, and how you will work to control them.

Q107. Please attach the Risk Management Plan and/or Risk Register for this project *

Attach a file:

The risk management plan and/or risk register contains all identified risks, their causes and impacts, and how they are controlled.

Job Creation

Q108. How many full-time equivalent (FTE) jobs will be created or retained in the delivery of the project? *

Must be a number.

If no jobs will be directly created or if the question is not applicable for your project, please write "0". All job figures should be converted to FTE ie. 7 hours, 5 days a week.

Merit Assessment Criterion - Talent And Development Pathways

* indicates a required field

Expected Outcomes - Talent Pathways

Q109. How will the project improve existing or deliver new talent pathway outcomes (i.e. from pre-elite to elite)? *

Word count:

Must be no more than 200 words.

Consider including details of facility access, programs and other opportunities that will have a positive effect on talent pathway outcomes. Outcomes should be outlined in quantitative terms where possible. Outcomes may be described in qualitative terms if quantification is difficult. Beneficiaries of the outcomes may be athletes/participants, Council, users/recipients, the community, businesses and other organisations.

Expected Outcomes - Talent Pathways (women and girls)

Q110. Describe how the project will enhance or deliver new talent pathway outcomes for women and girls (i.e. dedicated female pathway programs improved through facility enhancements, welcoming environments and programs) *

Word count:

Must be no more than 200 words.

Expected Outcomes - Talent Pathways (athlete welfare)

Q111. How will the proposal improve athlete welfare and support opportunities throughout talent and development pathways? *

Word count:

Must be no more than 200 words.

Partnerships - Talent Pathways

Q112. How will the project create new and/or foster existing strategic partnership(s) to deliver talent and development pathway outcomes? *

Word count:

Must be no more than 150 words.

Q113. Please list who your key partners are to deliver talent and development pathway outcomes *

This may include Community Strategic Plan, Sport/Recreation Strategies, Disability Action Plan, Reconciliation Action Plan, Multicultural plans, Tourism or Event Plans, District or Regional plans etc.

Q115. Please attach a letter of support from your local Council (if relevant)

Attach a file:

Centre of Excellence Fund 2021/22 (Round 1) Application Form Preview

A maximum of 1 file may be attached.

This is a letter of support, not project consent/approval. If you have more than one letter of support, please combine and upload as one document.

National/State Sporting Organisation Strategic Alignment and Support

Q116. Demonstrate how your project aligns with State Sporting Organisation or State Sporting Organisation for People with Disability plans and strategies *

Word count:

Must be no more than 150 words.

This may include SSO strategic plans, facility plans, High Performance/Athlete Pathway Plans and/or participation plans

Q117. Please attach letter of support from relevant National/State Sporting Organisation(s) *

Attach a file:

A maximum of 1 file may be attached.

If you have more than one letter of support, please combine and upload as one document.

Strategic Alignment With Office of Sport Strategies And This Fund's Objectives

Q118. Describe/demonstrate how this project aligns to the aims, focus and objectives of this Fund and broader Office of Sport strategies. *

Word count:

Must be no more than 250 words.

Refer to Program Guidelines to view objectives, aims and focus areas of the Fund. Office of Sport strategies (e.g. Future Champions Strategy) are available via www.sport.nsw.gov.au

Merit Assessment Criterion - Community Engagement

* indicates a required field

Expected Outcomes – Community Engagement

Q119. How will the project improve existing or deliver new community engagement outcomes? *

Centre of Excellence Fund 2021/22 (Round 1) Application Form Preview

Word count:

Must be no more than 200 words.

Consider including details of new or enhanced community engagement programs and activities that will lead to greater participation, facility utilisation and better servicing of community needs. Specifically highlight where activities will provide better programs and meet the needs of women and girls. Community engagement includes community participation and other supported activities that increase the use of the facility by community members. Examples of community engagement may include (but are not limited to): Community outreach programs and workshops; development of new community partnerships; use of the facility for social participation programs; grassroots sporting workshops and camps; primary, secondary and tertiary educational workshops etc.

Increasing Participation

Q120. Demonstrate how the project will lead to increased participation in sport and increased facility capacity and usage *

Word count:

Must be no more than 250 words.

Q121. Demonstrate how the project will lead to additional participation and program content/scheduling for a range of user groups including women and girls, people with disability, First Nations peoples and people from culturally and linguistically diverse communities? *

Word count:

Must be no more than 250 words.

Facility Usage
