CANDIDATE PROFILE INFORMATION

Many of the Centres voting may not be familiar with the candidate(s) being nominated. In no more than 250 words the candidate should complete this Profile and describe themselves to assist Centres in their voting. This information should include such things as background in RDA, the skills and attributes which that can be brought to the Board and the reasoning that the candidate wishes to be on the Board. Please email a passport size photo.

Having been around Central Coast Centre for 26 years I have seen a lot of changes ...some we have had to have ,some ?

However my love of RDA stems from the pleasure disabled riders achieve when getting on a horse and enjoying the experience.

That was the intentions 50 years ago.

I have been a Regional Rep for 8+ years, a “job” i really enjoy . Helping the Hunter Centres when they need help and also sharing ideas etc.

I come from an Agricultural background having been involved with Young Farmers in the UK. A P and O scholarship brought me to Australia for 9mths and as they say the rest is history .

The future with RDA is more complicated now than 20 years ago but please remember the basics and keep it simple ...safety is the first issue but disabled riders and horses really haven't changed over the years and that is what we do best giving riders an experience they might not get elsewhere and the self esteem
