2023 ELECTION OF THE BOARD OF DIRECTORS FOR THE PERIOD AGM 2023 to AGM 2025

CANDIDATE PROFILE INFORMATION

Many of the Centres voting may not be familiar with the candidate(s) being nominated. In no more than 250 words the candidate should complete this Profile and describe themselves to assist Centres in their voting. This information should include such things as background in RDA, the skills and attributes which that can be brought to the Board and the reasoning that the candidate wishes to be on the Board. Please email a passport size photo.

Passion for RDA is what drives me. To be able to give our riders the best opportunities at our amazing program and see their smiles and achievements, with the laughter and tears. I am not just here for my centre I am here to represent all centres and to help them with my skills. In grants in which in my term as a director I have proven to be rather successful. Along with many notable and profitable applications for grants I have been able to assist financially through the fires, floods and long effects that covid has left us to over come. My general life experiences along with my counselling and recent work training I believe equip me to be a great asset for RDA (NSW). My communication skills and practical approach to problems are, I believe a necessary requirement for a Director. I have become a qualified coach and will continue training for not only myself but the centres as in my visits to other centres it has been a real hands on learning tool.. I am a team player and my commitment hopefully will get me to all centres as life allows. I want to be active and hands on to not only learn the ways and uniqueness of the centres but also to offer support so that I can better myself to help represent others and also help my centre at Mudgee to grow and develop. My motto with RDA is we are an RDA family and " I love what I do and I do what I love"

Tracy xx
