2023 ELECTION OF RDA (NSW) DIRECTORS FOR THE PERIOD AGM 2023 to AGM 2025

CANDIDATE PROFILE INFORMATION

Many of the Centres voting may not be familiar with the candidate(s) being nominated. In no more than 250 words the candidate should complete this Profile and describe themselves to assist Centres in their voting. This information should include such things as background in RDA (NSW), the skills and attributes which that can be brought to the Board and the reasoning that the candidate wishes to be a Director of RDA (NSW). Please email a passport size photo.

After completing a Degree in Agricultural Economics, I owned and operated a mixed farming business at Temora in Southern NSW for 15 years.
I currently hold the position of Manager Public Health and Professional Products at Sumitomo Chemical Australia where I have worked for the last 21 years
Previous directorships include Riverina Woolgrowers P/L, SEP Meat Processors, Downunda Souvenirs and a short term at RDA (NSW).
I resigned from the RDA Directorship in 2021 because I no longer had confidence in the Boards ability to function effectively due to the behaviour of incumbent Directors and considered my position untenable. Four other Directors (two with significant executive experience) also resigned around the same time for similar reasons.
I am now seeking re-election to the Board to help make positive change which the Association so desperately needs. The Board needs to become more professional.
I believe we need a Board with a diversity of skills to Govern and guide the Association to grow for the betterment of members and the community RDA serves.
To this end (amongst other actions) we need to:
- Remove the absurd "Policy" to restrict Board membership because it conflicts with the intent of the constitution which was changed to encourage diversity of expertise on the Board at its last review.
- Finalise and implement a Strategic Plan in consultation with all members.

- Streamline Board management processes because they are currently overly complicated with multiple Board members crossing roles.
- Consider introducing an Executive Management team.
- Develop key performance metrics to measure value against our purpose.
- Seek appointed Directors with professional skills and experience that add real value.
I firmly believe in all that RDA offers its clients and the broader community and know the Association can function more efficiently to increase its service offering, become more inclusive and maintain financial sustainability to ensure a vision of prosperity and growth.
* Any nominations under clause 30.8 of the Constitution are in contravention of its intent.

In addition to the candidate supplying the above, the candidate is also to supply below a list of all Centres with which they are associated.

For the purposes of nomination to the Board, a candidate is considered to be an associate of each Centre of which they are either a financial member or a volunteer. This information does not form part of the 250 words relating to the Candidate Profile Information.
