CANDIDATE PROFILE INFORMATION

Many of the Centres voting may not be familiar with the candidate(s) being nominated. In no more than 250 words the candidate should complete this Profile and describe themselves to assist Centres in their voting. This information should include such things as background in RDA, the skills and attributes which that can be brought to the Board and the reasoning that the candidate wishes to be on the Board. Please email a passport size photo.

I have been the President of RDA Tall Timbers for the past two years after being approached to join the organisation at a gala dinner. At that time, I was a then Board Advisor for The Alternative Board and felt that my skill set and real world experience would benefit the organisation.

I have thoroughly enjoyed my time at Tall Timbers, carefully helping guide the centre to have a positive culture post Covid.

For the past six years I have been the equivalent "President" for another volunteer Organisation, Marine Rescue and a member for 11 years. I am also a NSW Justice of the Peace. I understand Charities and the benefits of volunteering.

An experienced company director and secretary with over 30 years experience in both domestic and international companies, I have very well developed people and communications skills which have been used to great effect in building happy teams, client development as well as general management roles.

I am self-motivated and self-directed and I can address the big picture without losing sight of the details. I understand the value and importance of process, discipline and key metrics and throughout my career I have successfully developed, implemented and managed each of these elements to achieve key organisational goals and objectives.

I am keen to understand and assist the Board at state level and work closely with centres. I am wanting to foster positivity between Board and Centres which is currently lacking.

In addition to the above, the candidate is to supply below a list of all Centres with which they are associated.

For the purposes of nomination to the Board, a candidate is considered to be an associate of each Centre of which they are either a financial member or a volunteer. This information does not form part of the 250 words relating to the Candidate Profile Information.
