August 23-25 2024

Sydney International Equestrian Centre

RDA(NSW) Championships offers the opportunity for RDA(NSW) riders to compete in Mounted Games and Dressage competitions at a State Championship level.

The event is held at The Sydney International Equestrian Centre in Horsley Park and offers riders the opportunity to ride at a World-Class competition venue where the 2000 Sydney Olympic Games Equestrian competitions were held.

Riding for the Disabled is a not-for-profit Charity Organisation that provides quality coaching for participants with disabilities and additional needs. RDA (NSW) Coaches are paramount in the development of foundational skills in Australia's future Paralympic Equestrian Competitors.

Sponsor our riders!

Help us get our riders to Sydney. Every contribution helps our riders achieve their dreams of competing at an Olympic venue and motivates them on their journey towards Paralympic qualification.

Various packages are available to offer your support to sponsor a rider, their centre and horse or their horse's transport costs to assist them in attending the event.
