Dear Centres and Secretaries,

As some of you may be aware there have been some changes to the Centre Support Scheme Audits for this year. This year CASP have determined, as it is a full audit year including coaching, it would be beneficial for Assessors to conduct the Audits.

This in no way takes over the role of your current Regional Reps in supporting your Centres on an ongoing basis. As several areas do not have coaches as Regional Reps CASP are requesting Assessors to assist in this process anyway.

A few Centres have had their audits completed already as they have been tied in with Assessors doing Assistant Coach assessments.

The current audit document has been updated slightly and is attached to give you the information you need to prepare for the audit.

If possible, your Regional Rep may wish to attend the audit as well. This will be organised between the Assessor allocated and the Regional Rep. The assessor will contact the Centre regarding dates suitable.

Please do not hesitate to contact myself (or CASP) if you have any questions regarding the changes.

Kind regards,

Judy Edwards
Centre Support Scheme on behalf of CASP
